FILE DEC 1958

1. It is requested that our request for a polygraph examination of Subject be postponed for an indefinite time. Subject's desire to be near his wife and two children has been the influencing factor in his decision to remain in California. At such time when Subject and family return to the East Coast we will re-process a request for his polygraph examination.

2. In the meantime, mail and personal contact will be maintained with Subject. During his California sojourn Subject will serve as a spotter in connection with Project HUMBOLDT. In view of this we desire that our request for a covert security approval remain in effect.

3. Subject's mailing address as of 8 September 1958 is:

Box 97, Calaveras County
West Point, California
TELEPHONE: ARminister 3-5721

The telephone is listed under one Mr. BROCKMAN.

4. Should you desire additional information please contact []
